

Terms of Service for Laundry Pickup and Delivery

These terms and conditions ("Terms") govern the relationship between you (the "Customer") and [Sing Laundry, LLC] d/b/a [Bergen Laundry Service] ("the Service") for laundry pickup and delivery. By using our service, you agree to these Terms.

1. Lost or Damaged Items

While we take great care with your laundry, there are inherent risks in the cleaning process. We cannot guarantee the removal of all stains or prevent all damage.

- **Lost Items:** In the unlikely event an item is lost, you must notify us within **7 days** of receiving your clean laundry. We will conduct a thorough search. If the item is not found, we will offer compensation based on the item's **fair market value**.
 - **Damaged Items:** If an item is damaged during our service, you must notify us within **7 days** of receiving your clean laundry. We will investigate the cause of the damage. If we are found to be at fault, compensation will be based on the item's **fair market value**, taking into account its age and condition. Normal wear and tear, such as fading or minor pilling, is not considered damage.
-

2. Fair Market Value and Depreciation

We use a standard depreciation schedule to determine the fair market value of any lost or damaged items. This is because laundered items naturally lose value over time.

- **Valuation:** The maximum compensation for a single lost or damaged item is **\$100.00**, unless a higher value is declared in writing prior to pickup. Your value declaration can be emailed to support@singhlaundry.com. If you do not receive a response to your email within 1 hour, assume it was not received by us. In such case, call 973-626-3896 to speak with a manager.
 - **Depreciation Schedule:** Compensation will be a percentage of the original purchase price, with the value decreasing each year. For example, an item purchased within the last year may be valued at 75% of its original price, while an item 3 years old may be valued at 25%.
-

3. Itemized List and Pre-Service Inspection

- **Recommended:** While not mandatory, we strongly recommend you provide an itemized list of your laundry items. This helps ensure everything is accounted for. If you do not provide a list, we will weigh your laundry and can only be responsible for the total weight received, not individual items. Itemized lists must be sent prior to pickup and can be emailed to support@singhlaundry.com. If you do not receive a response to your email within 1 hour, assume it was not received by us. In such case, call 973-626-3896 to speak with a manager.

- **Missing Items without an Itemized List:** In the rare case of a missing item from an order without an itemized list, our maximum liability will be a fixed price of **\$10.00** per pound for the total estimated weight of the missing item(s).
 - **Damp Laundry Weight:** To ensure fair billing, laundry that is received damp will be assessed at **75% of the actual weight received** to account for the water content.
 - **Damaged or Unsuitable Items:** We will perform a basic visual inspection. If we notice items that are already damaged or unsuitable for our standard wash, we will make a reasonable effort to notify you. However, we are not liable for damage to items that were already in poor condition.
-

4. Customer Responsibility for Pockets and Contents

- **Pocket Check:** It is the customer's sole responsibility to ensure all pockets are empty before submitting laundry. We are not liable for any items left in pockets that are lost or damaged during the wash cycle. Furthermore, we are not liable for any damage to your laundry caused by items left in pockets (e.g., stains from pens, crayons, or lipstick).
 - **Prohibited Items:** You must not include any items in your laundry that could damage our machines or injure our attendants. This includes, but is not limited to, sharp objects, heavy metals, ammunition, and other hazardous materials. We reserve the right to charge a fee for any damages or repairs to our equipment caused by such items.
 - **Excessively Wet Laundry:** Please make sure your laundry isn't excessively wet when you submit it. Excess water makes the bags much heavier, creating difficulties for our drivers during transport and for our attendants who must handle the items. We'll apply a fee to cover this additional effort and the potential for a messy cleanup. This fee is based on a sliding scale according to the weight of the laundry received:
 - **15-20 lbs:** \$10
 - **21-30 lbs:** \$20
 - **31-40 lbs:** \$30
 - *Please note that the fee scale continues for orders over 40 lbs.*
 - **Sorting and Non-Laundry Items:** We expect to receive only items intended for laundry. If your laundry contains garbage or other non-laundry items that pose a health risk, require extra sorting time, or cause a mess, we reserve the right to charge a **Non-Laundry Sorting Fee**. This fee covers the extra time and effort required to safely prepare your laundry for washing. This fee is based on a sliding scale according to the weight of the laundry received and follows the same fee rates as listed for excessively wet laundry.
-

5. Unclaimed Laundry Policy

- **Holding Period:** In the event that we are unable to process your payment after your order is complete, we will make every reasonable effort to contact you to resolve the issue. Your laundry will be held for **30 days** from the date of the first failed payment notification.
 - **Unclaimed Disposition:** If payment is not resolved and your laundry remains unclaimed after 30 days, we reserve the right to donate or dispose of the items. By using our service, you agree to this policy. We will not be liable for any loss or damage to items disposed of under this policy.
-

6. Delicate and Special-Care Items

- **Customer Responsibility:** It is your responsibility to inform us of any items requiring special care. This notification must be sent prior to pickup and can be emailed to support@singhlaundry.com. If you do not receive a response to your email within 1 hour, assume it was not received by us. In such case, call 973-626-3896 to speak with a manager.
 - **Our Process:** Unless you specifically request and pay for a special service, all laundry is processed using our standard washing and drying procedures. We are not responsible for damage to items that were not suitable for this process.
-

7. Contamination and Biohazards

- **Right to Refuse Service:** For the safety of our staff and to prevent contamination, we reserve the right to refuse service for any items that are heavily soiled with hazardous materials, bodily fluids, or have a foul odor that cannot be reasonably cleaned.
 - **Customer Guarantee:** By submitting your laundry, you guarantee that it does not contain any hazardous materials or items that pose a risk to our staff or equipment.
-

8. Limitation of Liability

- **Maximum Liability:** Our total liability to you for any lost or damaged items is limited to a maximum of **\$250.00** per order. This limitation applies regardless of the value of the items, unless you have declared a higher value in writing prior to service.
- **Exclusions:** We are not liable for items that are already damaged, items not suitable for our standard washing process, or for loss or damage caused by circumstances beyond our reasonable control.
